

QUALITY POLICY

WELKINS Fire Protection Solutions SRL will consistently provide products and services that meet or exceed the requirements and expectations of our customers and standards. We will actively pursue quality improvements through programs and factory production control that enable each employee to do their job right the first time and every time. (Then add measurable objectives to the company quality policy and factory production control).

A handwritten signature in blue ink, appearing to read "Julio J.", written over a light blue horizontal line.

General Manager: _____

The General Manager of Welkins Fire Protection Solutions SRL has formulated the quality policy and implemented to the factory production control system. The policy is explained and discussed at the general orientation training given to all new employees and has been reviewed with all current employees and partners. All employees and partners are expected to know what the quality policy means to them as it affects their job or position within the company. The policy is posted in intranet of the company.
